Thank you to everyone who helps make this possible!

### Meaningful Employee

#### Shawna Binkley

Shawna has been with the Community Lunch Box Society for five years.

“I like working with the Community Lunch Box” she says, “seeing new (and old) faces, being around people and helping. I like collecting bottles and delivering food to the schools that I attended.”

Shawna’s family moved to Whitecourt when she was 4 years old. She attended primary school in Whitecourt.

While Shawna is primarily responsible for weekly bottle collection, she also volunteers delivering food.

Shawna’s bright smile, positive attitude, and willingness to help with any task makes her a joy to the rest of the CLB team.

Welcome to our Administrative Coordinator, Ashleigh Bulmer.

“My family and I moved to Whitecourt 5 years ago. I am grateful for the opportunity to not only work with such wonderful people but to also work for an organization that does amazing things within the community”.

Please stop by the CLB House, Ashleigh would love to meet you and show you around. 🍏  
You can reach her at  
780-778-8252 or

## Testimonial

**My kids are just entering the school system, so the Community Lunch Box Program was a natural choice for me to volunteer at. It works within my schedule, it allows me to bring my non-school aged children along and it allows me and my family to give back to a community that has given me so much as a business owner. Community Lunch Box is a wonderful organization that ensures no child goes without.**

*Ashley Olsen, parent, volunteer and local business owner*

**Save the Date: Celebration Night March 16, 2024!**

# Thank you!

Visit our website to learn more!

The Good Things Come from Trees foundation is a Canfor sponsored community support program that prioritizes donations based on the categories of Education, Health, Sustainability and Community.

In February 2023, Canfor signed a 3-year sponsorship agreement with the Community Lunch Box Society through their Good Things Come From Trees Foundation.

This support allows the Community Lunch Box to continue to provide food security and nutrition, helping kids learn on a full stomach.

None of our success would be possible without generous donors like you!

Thank you for your commitment and kindness.
