### Meaningful Employee

## Bobby Jones

Bobby has been a part of the Community Lunch Box team for more than 4 years. Bobby is proud to be helping young kids and families in Whitecourt by ensuring all children have access to food so they can grow up to be strong, healthy and educated. Bobby is an incredibly hard worker who does not leave until the job is done. He inspires his coworkers, friends and everyone around him to make the world a better place. "Otherwise, what are we here for?" he says. Bobby takes care of everyone around him in the most thoughtful ways.

## Testimonial

Working with kind, generous, appreciative people is part of the perks of volunteering with The Community Lunch Box Society. As well, there is the warmth of heart that arises in giving back to community and contributing to the well-being of our children. A pretty amazing package.
