Meaningful Employee Kristy Davies!

Kristy's journey with the Community Lunch Box began in 2018 when she sorted bottles in the garage. "Tara Baker convinced me to join the Lunch Box because she thought it was a great place to make friends and be myself. I've been here ever since and don't plan to leave," Kristy explained. "I love it here!" Kristy is a joy for her coworkers to work with. She always shows up with a smile on her face and a positive attitude. She is kind, helpful, and a super hard worker. She counts and keeps track of cans like nobody's business, particularly with all of the distractions in the garage. Kristy's laugh is infectious and brightens the garage. Everyone notices that the garage is too quiet when Kristy is not around.

NEW VOLUNTEER ALERT!

We couldn't be happier or more thankful to add John to our volunteer team. Bottle collection is a vital task required to maintain our operations. Dollars earned from bottle collection go directly to helping kids learn better on a full stomach.

Teamwork makes the dream work!

Testimonial

Why do I volunteer with the Community Lunch Box? I honestly just wanted to do something good for the community. With my background, as a teacher, when I saw the volunteer opportunity with the Community Lunch Box, it just clicked.
