Meaningful Employee Dryden Millard!

Dryden's journey with the Community Lunch Box is a testament to his unwavering commitment and hard work. Starting as a shredding volunteer, he quickly demonstrated his dedication and strong work ethic. His attention to detail and efficiency led him to progress to the role of garage bottle sorter, where he took on the crucial task of overseeing the sorting of the glass bottles. Dryden exemplifies the qualities of a committed and compassionate individual in every role he undertakes. His contributions have enhanced the operational efficiency of the Community Lunch Box and made a lasting impact on those who work alongside him. We could not be prouder of Dryden for taking on his next role as a student as he embarks on his next adventure, attending post-secondary studies at Old College. We wish him all the best on his next journey and are so thankful for his time with us as we learned and grew together as a team!

FABULOUS VOLUNTEERS!

We want to express our gratitude to our ever expanding team of volunteers. Without their support, we wouldn't be able to do what we do. From school food deliveries to bottle collection, bottle sorting, shredding, yard maintenance, our volunteers do it all and then some.

Teamwork makes the dream work!
